2. How to use your Savings Program benefits

How your card can be used depends on the insurance you use to pay for your medication:

If you use your **pharmacy/prescription insurance** to pay for your medication from a pharmacy:

You may use your card (provide your Member ID #, Rx BIN #, and Group #) to receive instant savings off the cost of your medication. The pharmacy will collect your co-pay.

If you use your **medical/primary insurance** to pay for your medication through your doctor, treatment provider, or pharmacy:

You may use your card to receive a rebate, **OR** you may assign your benefits directly to your treatment provider. Please discuss this option with your provider.

How it works:

Your provider or pharmacy may or may not collect your co-pay, based on your insurance coverage.

You receive your treatment with STELARA®. Your provider or pharmacy submits your claim to your healthcare insurance provider.

You and your provider receive an EOB statement from your insurance. You are responsible for submitting the EOB to STELARA withMe Savings Program, or you can request your provider to submit the EOB on your behalf (see *How to submit a rebate request* on the next page).

STELARA withMe Savings Program reviews your EOB, and issues rebate to your card, to you by check, or to your provider if you have assigned your benefits to your provider.

Remember to bring your card to your treatment appointment.

Your card is not a credit card. There is no charge for your card.

If for any reason your provider or pharmacy cannot process your card, please call us at 844-4withMe (844-494-8463). You may be able to submit a [Rebate Form](#) to receive a check. Proof of medication payment required.

Savings Program Requirements

Am I eligible?

You may be eligible for the STELARA withMe Savings Program if you are age 6 or older, use commercial or private health insurance for STELARA®, and must pay an out-of-pocket cost for your medication. There is no income requirement.

Some health plans have programs or benefit designs known as “accumulators” or “maximizers.” These programs divert patient assistance funds away from patients.

- Accumulators don’t allow patient assistance to count toward the patient’s deductible and out-of-pocket maximum until the maximum value of the patient assistance is reached.
- Maximizers also don’t allow patient assistance to count toward the patient’s deductible and out-of-pocket maximum. Maximizers apply the full value of the patient assistance over the year. This could be either the same amount each month or a larger amount early in the year that tapers off, without allowing any of those funds to count toward the patient’s annual deductible or out-of-pocket maximum.
- The STELARA withMe Savings Program is designed solely for the benefit of the patient. Thus, Janssen reserves the right to reduce the STELARA withMe Savings Program maximum benefit for patients in an accumulator or maximizer program or benefit design, except where prohibited by law.

In addition, some health plans have “non-essential health benefit maximizers” that conflict with the program requirements of the STELARA withMe Savings Program.

- These programs or benefit designs, like the services offered by SaveOnSP, classify certain specialty medicines such as STELARA® as “non-essential.” This takes away protections for patients provided by the Affordable Care Act (ACA) related to maximum out-of-pocket limits.
- The STELARA withMe Savings Program is designed solely for the benefit of the patient. If your insurance company or health plan partners with SaveOnSP, then except where prohibited by law, you will not be eligible for, and you agree not to use, the STELARA withMe Savings Program.
- Please let STELARA withMe know if your insurance company or health plan has one of these programs or benefit designs, including SaveOnSP, by calling 844-4withMe (844-494-8463) to discuss your options. Since you may not know you are subject to one of these programs or benefit designs when you enroll in STELARA withMe, Janssen will monitor your utilization.
- Janssen reserves the right to discontinue cost support if you no longer meet eligibility requirements.
- If your health plan removes STELARA® from its partnership with SaveOnSP or other non-essential health benefit maximizer, you may be eligible to be reinstated in the STELARA withMe Savings Program.

By utilizing this Savings Program, you accept and agree to abide by these program requirements. Any individual or entity who enrolls or assists in the enrollment of a patient in the Savings Program represents that the patient meets the eligibility criteria and other requirements described.

Please read the full [Prescribing Information](#) and [Medication Guide](#) for STELARA® and discuss any questions you have with your doctor.

Other Requirements

- **This program is only for people age 6 or older using commercial or private health insurance who must pay an out-of-pocket cost for their Janssen medication. This includes plans from the Health Insurance Marketplace.** This program is not for people who use any state or federal government-funded healthcare program. Examples of these programs are Medicare, Medicaid, TRICARE, Department of Defense, and Veterans Administration.
- By enrolling in this program, you agree that this program is intended solely for the benefit of you, the patient. You may not seek payment for the value received from this program from any health plan, patient assistance foundation, flexible spending account, or healthcare savings account.
- You must meet the program requirements every time you use the Savings Program.
- Program terms will expire at the end of each calendar year. The program may change or end without notice, including in specific states.
- Program participants are subject to an annual maximum benefit. Program benefits are set at the discretion of Janssen and may change without notice.
- Patients who are subject to programs, health plans, or benefits that claim to **reduce** their patients' out-of-pocket co-pay, co-insurance, or deductible obligations for certain prescription drugs based upon the availability of, or patient's enrollment in, manufacturer-sponsored co-pay assistance for such drugs will be subject to a reduced annual maximum program benefit per calendar year (not applicable to patients in Maine).
- Patients who are subject to programs, health plans, or benefits that claim to **eliminate** their out-of-pocket costs are not eligible for the STELARA withMe Savings Program, because this program is only for people who must pay an out-of-pocket cost for STELARA®.
- Notwithstanding any other term of this program, patients who are members of health plans that partner with SaveOnSP, or who are subject to services administered by SaveOnSP, are not eligible for the STELARA withMe Savings Program. If your health plan removes STELARA® from its partnership with SaveOnSP, you may be eligible for the STELARA withMe Savings Program.
- To use this program, you must follow any health plan requirements, including telling your health plan how much co-payment support you get from this program, if required. By using the Savings Program, you confirm that you have read, understood, and agree to the program requirements on this page, and you are giving permission for information related to your Savings Program transactions to be shared with your healthcare provider(s). These transactions include rebates and any funds placed on the card or balance remaining on the card.
- Before you enroll in the program, you will be asked to provide personal information that may include your name, address, phone number, email address, and information related to your prescription medication insurance and treatment. This information is needed for Janssen Biotech, Inc., the maker of STELARA®, and our service providers to enroll you in the STELARA withMe Savings Program. We may also use the information you give us to learn more about the people who use STELARA®, and to improve the information we give them. Janssen Biotech, Inc., will not share your information with anyone else except where legally allowed.
- If you use medical/primary insurance to pay for your medication, you need to submit a rebate request with an Explanation of Benefits (EOB) to get payment from the Savings Program. With your permission, your provider may submit the rebate request and EOB for you. Please make sure you and your provider know who will submit the rebate request.
- This program offer may not be used with any other coupon, discount, prescription savings card, free trial, or other offer. Offer good only in the United States and its territories. Void where prohibited, taxed, or limited by law.
